

Historic Bluefields Smart Growth Committee invites you to information sessions on:

Metropolitan Historic Zoning – Bluefields the *NEXT* 100 years!

We want your ideas!! This is strictly an information sharing seminar and we encourage you to attend!

Information Session #1 Robin Zeigler Historic Zoning Commission

When: 6:30 PM, Wednesday November 5th 2014

Where: Fifty Forward, 108 Donelson Pike

Information Session #2 Robin Zeigler Historic Zoning Commission

When: 9:00 AM, Saturday November 8th 2014

Where: Fifty Forward, 108 Donelson Pike

Purpose of Informational sessions:

1. Provide information regarding Historic Zoning, neighborhood preservation
2. Provide information regarding the historic grant Bluefields has qualified for
3. Determine the interest of Bluefields residents in preserving the historic qualities of Bluefields

Who Will Be There:

1. Metro Historic Zoning Commission administrator Robin Zeigler
2. Neighbors of Bluefields

What are the *NEXT* 100 years of Bluefields?

Our neighborhood has thrived as a wonderful, family oriented subdivision for over 85 years. With the recent growth of Davidson County, it is important for all Bluefields residents to understand what options our community has available, to insure Bluefields remains GREAT for generations to come!

Metropolitan Zoning Commission:

The Metro Zoning commission offers several options to insure Historic neighborhoods are not impacted by commercial, industrial, or contemporary residential building trends. Robin Zeigler will share with our community ideas, and successful processes other Historic communities in Davidson county have implemented to help insure the retention of their neighborhood roots.

Next Steps:

The next steps IF the community expresses interest in pursuing zoning options for Bluefields, will be publically shared as decreed by Davidson County and the Historical Commissions policy of public notice.
