# JEFF SYRACUSE

Metro Council District 15

Drop in for just a minute to sign the petition or stay and chat with Jeff about Donelson's future and his vision for the community. This week we're in Bluefields and next week is a birthday celebration at Phat Bites! We're ready to kick this campaign into high gear and work hard to meet with as many neighbors, faith leaders, businesses and organizations as possible across the 15th District!

Please join us to meet with Jeff and sign his petition to officially be placed on the ballot!
